**Fully renovated-refurbished for summer season 2018 our generous in size luxury suites, combine elegant and relaxing accommodation with a breathtaking panoramic view of Koukounaries beach, Evia island and the natural reserve of Strofilia lake.**

They feature a stylish sitting area that opens into a private spacious veranda with sun beds. There, you can sit or sunbathe and enjoy the superb view. They consist of a hall, a bedroom and a living room (which can be converted into a second bedroom). Some of them are connected with another bedroom, enabling the accommodation of more guests. For those who want to spoil themselves, some suites offer an outdoor jacuzzi! All our suites are ideal for families or for honeymooners who are looking for an unforgettable time of pure relaxation and comfort.
